Family Fun Workshops: 11am – 12 noon

One adult and one child - \$20. Additional family members: \$5 each. Material fee included. Each class is designed for an adult and a child up to almost 6 years old, but older children can join the family, as well. This is a fun, creative, relaxing time to do art together as a family. We will gather around a big table and work on a variety of art techniques: draw, paint, color, collage, sculpt and print! Projects are to be taken home that day. Bring your enthusiasm, creativity, and a bag to hold any "wet" work.

Drop off Art Classes for 6-10 year olds: 12:30 – 1:30pm

Children 6-10 will paint, sculpt, work with a variety of art materials, improve all their art making skills, learn about famous artists, and mostly have fun in this one hour fun filled art class. Independent children, only, please. \$20 per child, including material fee. Come celebrate the month with art making!
